

Dear Patrice Forget

SIP Chair

The Executive Committee of the national platform **SIP PT** welcomes your availability to participate in the event to commemorate the **National Day Against Pain**, to be held on October 16th, 2021, at the closing ceremony, after the 2021 APED Congress ([VII APED2021](#)) in Lisbon.

At this event, we will present to the public, the media, health professionals, stakeholders and endorsers of Scientific Societies and Patient Associations our activities, goals and campaigns on the new website.

Your participation in this event will be important to clarify the objectives of SIP Europe.

This is an online and face-to-face event, where you can present a video for about 15 minutes. Even you can send it recorded.

According to the attached Program, we suggest that you talk about

***SIP EU, future perspectives***

The event is free but mandatory registration to attend in person or online
